RE: In the Matter of the Application of Qwest Corporation for Approval of the Confidential  
Stipulation as an Amendment to the Interconnection Agreement with Hutchinson  
Telecommunications, Inc.  
Docket No. P5561,421/IC-03-459

Dear Dr. Haar:

Interconnection agreements and amendments to interconnection agreements that are not arbitrated under §252 of the Federal Telecommunications Act of 1996 may be approved without hearing under Minn. Stat. § 216A.03, subd. 7. The Public Utilities Commission's (Commission) Order designating interconnection agreements and amendments to interconnection agreements as subject to a standing order was issued on August 25, 2000 in Docket No. P999/CI-00-634. The use of a standing order is to apply to filings submitted on or after September 1, 2000.

As required by the Commission's August 25, 2000 Order, the Department of Commerce has reviewed and analyzed the current filing. Attached is the Minnesota Department of Commerce's Checklist for processing amendments to interconnection agreements. The Checklist reflects the Department's analysis of the issues and language that the Commission has established to meet the requirements that interconnection agreements or amendments thereto not discriminate against third parties, harm the public interest or conflict with state law.

Topic of Amendment:

This amendment sets forth the terms and conditions under which Hutchinson Telecommunications, Inc. agrees to withdraw its opposition to and to encourage the expeditious processing of the review of the proposed merger between US WEST, Inc. and Qwest Communications International, Inc. In exchange, Qwest agreed to be an IntraLATA toll provider for Hutchinson Telecommunications, Inc. customers, improve/enhance their OSS and permit Hutchinson Telecommunications, Inc. to adopt Interconnect Agreements filed in other states.

The Petition was filed by:

Jason D. Topp, Attorney  
Qwest Corporation Law Department  
200 South Fifth Street, Room 395  
Minneapolis, Minnesota 55402

Conditions:

This agreement contains one or more bracketed provisions. The Department disagrees with Qwest's position that the bracketed provisions are 47 U.S.C. § 251(b) and (c) services, and are the only provisions that the Commission has authority to approve under 47 U.S.C. § 252(e). The Minnesota Commission reviews for approval interconnection agreements in their entirety. If, however, the Commission determines that portions of these negotiated agreements are discriminatory to non-parties or are otherwise against the public interest, the Commission has the authority to reject all or part of the agreements. The ability of any CLEC to opt into provisions contained in the document is governed by Sections 252(a), (e) and (i) of the Telecommunications Act.

The Department's analysis finds that the interconnection agreement complies with the Commission's requirements as indicated on the attached Checklist. The Department is submitting this memorandum recommending that the Commission **approve** the amendment to the interconnection agreement either at a Commission hearing or by way of the standing order process ordered on August 25, 2000.

Sincerely,

  
ROGER SCHNEIDER  
RATES ANALYST

X 5. Amendment does not cover a topic on which the Commission has established a precedent.

X a. Identify the topic: This amendment sets forth the terms and conditions under which Hutchinson Telecommunications, Inc. agrees to withdraw its opposition to and to encourage the expeditious processing of the review of the proposed merger between U S West, Inc. and Qwest Communications International, Inc. In exchange, Qwest agreed to be a IntraLATA toll provider for Hutchinson Telecommunications, Inc. customers, improve/enhance their OSS and permit Hutchinson Telecommunications, Inc. to adopt Interconnect Agreements filed in other states.

X b. This amendment does not threaten the public interest, discriminate against third parties or conflict with state law.

       1) Agree (explain).

X 2) Disagree. See Comments A.6.

X 6. Other Comments.

This agreement was executed on April 18, 2000. While Qwest previously submitted them to the Department as part of its investigation into Qwest's interconnection agreement filing practices in Docket No. P421/IC-02-197, it is only now being submitted for Commission approval. Although this agreement was not one of the agreements that the Department chose to use as part of its complaint, this should not suggest that Commission approval of this agreement is not necessary. The agreements selected by the Department were limited for the purposes of the contested case process in Docket No. P421/IC-02-197. It is the position of the Department that Qwest has always been obligated to file this agreement.

This agreement contains one or more bracketed provisions. The Department disagrees with Qwest's position that the bracketed provisions are 47 U.S.C. § 251(b) and (c) services, and are the only provisions that the Commission has authority to approve under 47 U.S.C. § 252(e). The Minnesota Commission reviews for approval interconnection agreements in their entirety. If, however, the Commission determines that portions of these negotiated agreements are discriminatory to non-parties or are otherwise against the public interest, the Commission has the authority to reject all or part of the agreements. The ability of any CLEC to opt into provisions contained in the document is governed by Sections 252(a), (e) and (i) of the Telecommunications Act.

Company Names: Hutchinson Telecommunications, Inc. and Qwest Corporation  
Docket No.: P5561,421/IC-03-459

Since the Department does not believe that this agreement contains any provisions that are discriminatory to non-parties or are otherwise against the public interest, the Department recommends that the Commissions approve this agreement in its entirety.

B. *RECOMMENDATION OF THE DEPARTMENT*

  X   1. Accept the interconnection agreement/amendment.

Conditions: See Comments A.6.

       2. Reject the interconnection agreement/amendment. (Not subject to the standing order.)
